HOUSING REQUEST

Dear Caring ISF Parent

On Friday 11th and Saturday 12th December ISF is hosting the GISST swimming trials. Around 150 athletes to ISF and will need to be housed (overnighted) throughout our ISF community. Please help the Sportverein to provide safe and welcome environments for all visiting athletes. May we remind all Sportverein members and their families are duty bound to provide housing for guest athletes as stated in the Sportverein ISF Sindlingen Handbook (2009/2010)

We house athletes from 10 to 18 years old with a minimum of 2 athletes (same gender) per host family.

By completing the attached form and returning it to the ISF Reception (attn Sportverein box), the Sportverein is relying on your offer and will include you in the housing arrangements. Further communication will be made directly to host volunteers about the collection procedure of athletes on the 11th December and from the 4th December we hope to be able to relay exact information about the expected athletes to their individual host families. Please find attached the HOST FAMILY INFORMATION AND GUIDELINES sheet that hopefully answers more questions about housing. Any further questions can be answered by e-mailing sportverein@isf-sabis.net or telephoning 069 954319747.

The Sportverein would like to thank you for your time and consideration with housing our visiting athletes and for taking part in showing true team spirit.
